Summary

Data Analyst with over **2 years** of professional experience in analytics, KPI reporting, and dashboard development across **FMCG** (inventory, sales) and **Recruitment** domains. Skilled in SQL, Power BI, and Excel to analyze large datasets, conduct root cause analysis, and deliver executive-ready insights that drive measurable cost savings and operational efficiency.

Skills

Database & Programming : SQL (Joins, Subqueries, CTEs, Window Functions), MySQL, SQL Server, Python (Jupiter Notebook (Anaconda) , Vs Code)

Visualization & BI Tools: Power BI (DAX, Data Modeling), DAX Studio, Advanced Excel (Power Query, Dynamic Source Parameterization, PivotTables, Power Pivot)

Analytics & Reporting: EDA, KPI Development, Data Cleaning, Data Validation, Root Cause Analysis, Dashboard Development

Version Control: Git & GitHub

Other: Business Analytics, Stakeholder Communication, Problem-Solving

Experience

Hariom Traders, Delhi Feb 2022 – Oct 2025

Data Analyst (MIS & Reporting)

- Optimized reporting workflows using Excel (**Power Query, PivotTables**), reducing manual effort by **30%** and improving data accuracy.
- Implemented an inventory alert system in **Power BI**, reducing stockouts and excess inventory by **20%**.

Three Across, Gurugram Oct 2025 – Jan 2026

Senior Business Analyst

- Designed and implemented a Recruitment Performance **Dashboard** tracking productivity across **20+** recruiters and **30+** clients.
- Built recruitment funnel analytics measuring **1,500+ CV** submissions monthly and improved submission-to-offer cycle efficiency by **22%**.
- Built Automated and **Dynamic Parametrization Stage Movement Report** to track candidate Skipped rate vs Followed rate and enhance process accuracy by **80%**.

Projects

- **AtliQ Hardware - Insights 360° Dashboard:** Architected hybrid data model (7 dimensions & 4 fact tables) on 2M+ rows; created advanced DAX measures and automated ETL using Power Query. GitHub

- **Bharat Herald Media Analysis:** Analyzed 5 years of revenue & circulation data; identified 60% decline and 2x digital growth; applied SQL joins, CTEs, and window functions. GitHub

Education

- Bachelor of Commerce | Delhi University — CGPA: 6.5/10
- GNIIT - Database & Programming | NIIT — CGPA: 8.0/10

Technical Enablement

- Authored a Git & GitHub implementation guide to help & manage version control efficiently.
- Build Interactive Learning Roadmap to help Community.
